

Dear Customers,

May 25, 2023

Canadian Babbitt Bearings is pleased to announce its recent acquisition of Bearing Bronze Limited, a prominent Bronze Bushing manufacturer and barstock distributor in Canada, serving a wide range of industries, including Aerospace.

Bearing Bronze has been in business since 1970 delivering cost-effective, high-quality bronze bearings, bushings, and other copper-based products. With the addition of Bearing Bronze's expertise, we are excited to expand our product offerings, providing you with an even broader selection to meet your unique requirements.

For over 50 years, our Niagara Falls Foundry has specialized in sand casting over 400 different alloys incl. Bronze. Additionally, we have been continuous casting Zinc Alloys for bearings and bushings under ZincaLoY™ for more than 40 years. Furthermore, our Brantford facility has been manufacturing Babbitt Bearings since 1981. Leveraging this extensive experience, we are determined to develop innovative solutions that surpass your expectations, offering products made from various materials, including Babbitt, Bronze, Zinc Alloy, and PTFE/Polymers.

We assure you that our commitment to maintaining the highest standards of quality and exceptional customer service remains unchanged. We are fully prepared to serve you with the same dedication and professionalism you have come to expect from us. The Bearing Bronze team remains intact to service you with exceptional services as in the past.

As we move forward, we are committed to ensuring a smooth transition for our customers and vendors. We will continue doing business as '**Bearing Bronze**', A division of Canadian Babbitt Bearings from the same Cambridge address. Our contact details will continue to be 800-285-2886 / 519-622-7900 and sales@bearingbronze.com.

We are excited to resume operations and firmly believe that this acquisition will bring mutual benefits to both our esteemed customers and vendors. We are eager to explore the opportunities it presents. Should you have any questions or concerns, please do not hesitate to contact us. We are here to assist you.

Sincerely,

Daniel J. Russell MBA
